

2006 Price List Thomson Scientific Search Service

WORLDWIDE SEARCHES

Subject Searches for State-of-the-Art /Patentability/Validity/Infringement

Covers over 40 patent-issuing authorities for all technologies from 1974, and for chemical from 1963. Uses keywords, US and International Classes, and proprietary Derwent chemical and electrical patent indexing. Results include Derwent enhanced titles, English abstracts and patent families.

General and Mechanical searches

\$456 for up to 1 hour including 10 records. Additional records @ \$5.83 each (without drawing) or \$6.48 each (with drawing)
Additional time charged per half hour @ hourly rate of \$100 - \$456 (subject to complexity of search)

Electrical searches

\$588 for up to 1 hour including 10 records. Additional records @ \$5.83 each (without drawing) or \$6.48 each (with drawing)
Additional time charged per half hour @ hourly rate of \$100 - \$588 (subject to complexity of search)

Chemical Structure searches

\$710 for up to 1 hour including 10 records. Additional records @ \$5.83 each (without drawing) or \$6.48 each (with drawing)
Additional time charged per half hour @ hourly rate of \$100 - \$710 (subject to complexity of search)

Chemical Non-structure searches

\$588 for up to 1 hour including 10 records. Additional records @ \$5.83 each (without drawing) or \$6.48 each (with drawing)
Additional time charged per half hour @ hourly rate of \$100 - \$588 (subject to complexity of search)

Patented nucleic acid & protein sequence searches

\$435 for up to 1 hour including 10 records. Additional records @ \$11.46 each
Additional time charged per half hour @ hourly rate of \$100 - \$435 (subject to complexity of search)

Competitive Intelligence Searches

Statistical analysis for technology trends and company technology leaders. Find out which companies are citing your patents and which of your patents are most highly cited in US, PCT and EPO patents plus other major countries.

\$588 for up to 1 hour including 10 records. Additional records @ \$5.83 each (without drawing) or \$6.48 each (with drawing)
Additional time charged per half hour @ hourly rate of \$100 - \$588 (subject to complexity of search)

Patent Assignee/Inventor Searches

Search to locate patents issued/published to a particular Company(s) or Inventor(s) at publication.

\$148 for 1st assignee Discount for additional names Records @ \$5.83 each (without drawing) or \$6.48 each (with drawing)

Patent Family/Equivalent Application Number Searches

Patent Family searches provide a listing of all countries in which a particular patent/application was filed and an English abstract for most families. Search for US/English equivalents to non-US patents or vice versa from 66 patent-issuing authorities including convention and non-convention equivalents. Search on application number to find published/granted patents such as an equivalent patent to US before it issues in the US.

\$122 per Patent Family search. Includes 1 DWPI record. Additional records \$5.83 each (without drawing) or \$6.48 (with drawing)
\$64 per Serial/application number/English language equivalent (includes one record).

Worldwide Legal Status

Post-issue actions affecting patents in 36 countries including the US Actions include oppositions, expirations, corrections, translations and re-examination requests.

\$150 Worldwide status search + \$13.75 per status record

US SEARCHES

Manual Novelty/Patentability/Infringement Searches

Pre-examination searches are conducted on-site at the US Patent and Trademark Office by patent searchers with extensive knowledge of manual searching and the US Classification system. The search covers the origin of the invention to its most current development (1790-present) and confidential consultations with a USPTO Patent Examiner in the field of search. Other manual searches include Infringement, Validity and State-of-the-Art.

\$420 minimum* - Mechanical Art
\$620 minimum* - Electrical Art
\$675 minimum* - Computer Art/Chemical Art
\$1,500 minimum* - Validity/Infringement

*Minimum pricing is based on average complexity of technology. For cost of patent copies, please see below.

Patent Reassignment Searches

Online chain-of-title search. Coverage includes US patent number inventor/assignee reassignment information from 1980 to date. The search includes coverage of patent ownership, patent liens, security interest and other related assignment subjects.

\$130 for first assignee/patent number, discount for additional assignees/numbers, plus records @ \$7.50 each.

Legal Status / Patent Litigation Searches

Post-issue actions affecting US Patents, including patent expiration due to non-payment of maintenance fees; certificate of corrections; disclaimers and dedications; reissue, re-examination, withdrawn and lapsed patents; litigation, etc.

\$95 Combination search of US status and US litigation + \$14.20 per litigation record and \$7.50 per status record
\$80 US Litigation only + \$14.20 per record
\$80 US Status only + \$7.50 per record

CURRENT AWARENESS / PATENT WATCH SERVICES

Keep informed of new developments in particular subjects, monitor competitor activity and track market developments regularly. We will perform update searches at intervals defined by your requirements, either weekly, monthly or quarterly. Results are delivered by mail, fax, email or disk.

Update Frequency	6-month subscription	12-month subscription
Weekly	\$2,014	\$3,710
Monthly	\$1,087	\$2,003
Quarterly	\$572	\$1,002

Record charges @ \$5.83 each (without drawing) or \$6.48 each (with drawing).

OTHER INFORMATION

Patent Copies

Copies of US, European (EP), World (WO), Japanese (JP), German (DE) and other European patents can be included with any search for \$3.50 per patent in pdf format (\$3.50 per 50 pages if printed). Patents from other countries available upon request.

Service and Turnaround

Most online searches are completed in 2-10 days. Results are delivered by mail fax or email. 24 hour rush service is available for many searches. Rush charges are an additional 50% of regular rate. Manual Novelty searches are normally completed within 15 business days. Rush manual searches are completed in 7 business days.

US State Taxes

Please note US State Taxes may apply if you are located in DC, NY, TX, PA or WA. If you receive the results in hardcopy form, taxes may also apply in IL, ME, VA, CA, MD, MI and NJ.
